 - a. Requests for Membership
 - b. Nomination and Election of Directors (Jessica) (Nominations may be accepted from the floor. Motion needed to close nominations. Ballot vote only required if more than five nominations.)
9. Adjournment

Draft Minutes

DEEP RIVER COMMUNITY ASSOCIATION, INC. AGM

MAY 11, 2021 Start 7:30PM End 8:45PM

Confirmation and notice of meeting using Zoom

President of the DRDA, Stephen D'eon started the meeting and welcomed individual members of the various clubs represented.

The Deep River Community Association, Inc. held its Annual General Meeting through the social media platform "ZOOM". Approximately 17-19 individuals were online throughout the meeting. 17 members represented the various clubs associated with the DRCA. It was noted by some representatives of various groups that an invitation to attend the AGM was not received. We spoke about the importance of having an updated email list in order to ensure that all groups are able to participate in the future. Quorum was confirmed during the introduction of the meeting.

Adoption of the agenda was also pronounced and accepted as was the approval associated with the minutes completed regarding 2020's AGM on January 29.

Presented Reports

Reports for the DRCA:

- a. Mr Steve D'Eon presented that Ms. Cori Nolette would be our guest speaking to do a talk on how to apply for various grants.
- b. Mr. D'Eon also informed the club members that insurance for the club was cut significantly. He further spoke about how the DRCA can provide emergency loans at a low interest and that there was one uptake for this emergency loan allowance that has since been paid back.
- c. Mr. Bruce Smith (Treasurer) provided an update on finances for the DRCA and showed the report that was drafted for the AGM. Along with this, the annual audits for both 2019 and 2020 were waived. During this talk, it was indicated that financial reports are usually audited independently, and a question was posed around who could complete this task on behalf of the DRCA.
- d. One question posed by Jeff Bishop was about the worth of the piano and MacKey scout camp and suggested that with this worth, the financial report could be updated accordingly. Ms. Cheryl Smith (previous board member) indicated that in the past the DRCA did not add the cost/worth of these items as it was very difficult to attain a true value of them. It was suggested that this be indicated at the end of the financial report to highlight this fact.
- e. Action item spoken about: put at bottom of report that independent review will be looked in to (who can do this) and that financial report is being completed without adding the worth of the piano as well as the MacKey scout camp. Another action item to add is to ensure all group's emails are updated so that all correspondence is being sent out and received by the group participants.
- f. Spoke about past bursary's provided to a student at MacKenzie community school. Spoke about the possibility of providing this \$100.00 bursary again this year. This was approved

by the committee members.

Reports from major committees:

Reports from the major committees for whom the DRCA is responsible were presented. These groups were:

- THEOP (Mr. Chris Tanner)
- MacKey Camp Committee (Mr. John McKey)
- Child's auditorium and Piano user group (Mr. Bruce Smith)
- Yacht and tennis club (Mr Jeff Bishop and Mrs. Candace Bishop)

Chris Tanner from THEOP went over the financial information and information pertaining to the future of THEOP. Mr. Tanner spoke about future concerts that may be able to occur despite COVID 19 protocols. One of these concerts is a dance concert slated to occur in July 2021 while the other concert is slotted (a garage concert) to occur in the Fall of 2021. Mr. Tanner also went over a concert that occurred in October 2020.

John MacKey went over the MacKey Scout camp. No major issues were disclosed during this time however it was made clear that COVID 19 protocols affected the overall movement for many of the groups this year.

Bruce Smith further spoke about the Child's auditorium and piano maintenance and how the fees for use of the piano were waved this year due to COVID 19 protocols hindering use of the auditorium and piano.

Mr. Jeff Bishop spoke about an update for the Yacht and tennis club. During this update it was stated the yacht and tennis club building is more than 60 years old. The Yacht and tennis club will be undergoing major renovations to their kitchen in offer to expand the space and update the kitchen to become a commercial kitchen. It was indicated that there are various fundraisers being conducted to help raise monies for the kitchen so that they can maximize the usefulness of the kitchen. To donate to the kitchen fund one can, contact Ms. Anne Murphy.

Guest Speaker

Ms. Cori Nolette spoke about grants and her experience in applying for various grants. She spoke about how to apply for a grant and the hours that it can take to apply. She spoke about grant writing being a full-time job for some and that utilizing a volunteer to do this could be useful as it can take a lot of time and effort on the individual completing them.

Unfinished business

- a. Community Engagement meeting was spoken about by Mr. D'Eon. Update regarding the state of this meeting which has been postponed due to COVID 19 protocols and restrictions. It was indicated that this meeting would take place but that it would not take place until we could do so based on restrictions.
- b. Cropley Shield was spoken about by Mr. D'Eon.
- c. No questions pertaining to any of the above points was presented by the groups.

New business

- A. Request for memberships were spoken about by Mr. D'Eon.
- B. Proposal to expand the DRCA's digital footprint were spoken about by MR.D'Eon. Update given that Ms. Cheryl Smith has been hired to complete the updating of the website and Facebook page. A discussion was had regarding various platforms that can be used to expand web views and Mr. D'Eon presented information on web scraping. This could add what there is to do in Deep River, Ontario.
- C. Ms. Jane Craig spoke about the use of sandwich boards and a discussion was initiated regarding previous sandwich boards at the Value-mart parking lot and why it was discontinued. It was stated that the owners of the building no longer want the sandwich boards to be used. Some conversation occurred around the city utilizing their space to highlight some of the events occurring in Deep River and Mr. D'Eon was asked to have this as an action item.
- D. Ms. Craig also asked about the future of the DRCA and if this committee is needed. She spoke about feeling expanding the digital presence of the DRCA is "premature" given we have not yet spoken about whether the DRCA will continue. This discussion to be tabled for another day/time.

Nomination of new board of directors

- a. President Steven D'Eon was nominated by the Deep River Scout Camp Committee and was assigned the role of President
- b. Mrs Kathy Amunds was nominated by the Rotary Club of North Renfrew. She was assigned the Vice President of the committee
- c. Mr. Bruce Smith was nominated by THEOP and he was assigned the role of Treasurer
- d. Mrs. Jessica McDonald was nominated by the Mount Martin Ski Club and she was assigned the role of Secretary.

Both Cheryl Smith and Bruce acclaimed the above nominations

Action items

- a. Indicate that the MacKey Scout camp and piano are not added to the assets of the DRCA because it is difficult to attain an accurate value of each. As well add the need to complete a secondary audit of the financial report and find someone who is willing to complete this. This will be added by Mr. Bruce Smith treasurer.
- b. Mr. D'Eon to look into the use of sandwich boards for club notifications and advertisement as well as looking into if the town can provide some advertising opportunity.

Adjournment

Adjournment occurred at approximately 8:45 PM. New board of directors to meet after the meeting

Any enquiries regarding DRCA events may be directed to Secretary Jessica McDonald @

Reports

President's Report

Well we find ourselves once again under the haze of COVID, now a full two years into this global pandemic. Once again the DRCA, like many of our Clubs and organizations, has spent a year in a holding pattern. Unable to properly advance a program due to the ups and downs of COVID. This is just a reality we, and all of society face. Somethings are opening up whilst another wave of COVID causes illness, losses, and apprehension.

The DRCA for the past two years has basically been operating a mish-mash of corporate holdings.

We own a Concert Grand Piano that sits barely used although our student(s) continue to maintain it. Alastair MacIvor has taken the course and has been using the Genie for Theatre lighting so it is good to see the Auditorium back in use (after some prodding to the School Board to match provincial guidelines rather than make up their own). Performances are re-starting so expectations are growing with pent-up demand for social events. The lease with the Town for the CCMC remains on a monthly basis and the three user Clubs continue to offer their programs with openings and closings as per protocols. We flow documents through on the lease for the Bass Lake ski hut with the DRXCC. Our loan to WCCT receives scheduled re-payments as they strive to offer the best available internet services for town residents and businesses. Our club mailbox service is a regular distribution run for me.

Basically, the DRCA has been and still is in a holding pattern. Our planned community engagement was COVID interrupted and as things looked better for an in-person session they quickly reversed. This is still on the books to happen.

But we did make progress. Cheryl Smith has updated our Club contact list and website. An up-to-date club contact list (I attach as an appendix) has been a challenge for a few organizations and we should better coordinate to sustain one master publicly available. We have applied for the July 1st Canada Day Celebrations Grant. Hopefully \$ and an event will happen.

Our finances remain stable, neither growing nor shrinking. At the suggestion at last year's AGM we had our books reviewed, but I will leave that for the Treasurer to report.

I thank you for your time and interest.
Steve D'Eon, President, DRCA

Treasurer's Report

**Deep River Community Association Financial Report
2020 November 1 to 2021 October 31 Fiscal Year
DRAFT - 2022 January 26**

Summary

The following table provides the incomes, expenses, and balances for the Deep River Community Association (DRCA) and its standing committees, THEOP, Community Centre Management Committee (CMMC) and the Mackey Camp Committee (MCC).

	DRCA	THEOP	CCMC	MCC	Total
INCOME	\$3,875.39*				
EXPENSES	\$2,364.61*				
PROFIT	\$1,510.78				
END OF YEAR BALANCE	\$89,190.94				

* Note: For clarity, flow-through grants to THEOP totalling \$35,363 have not been included in the DRCA income and expenses.

Deep River Community Association AGM April 21, 2022

THEOP Report

THEOP is a standing committee of the DRCA. Its mandate is to present a wide variety of professional theatre, dance and music performances to the Deep River & Area audience.

During 2021, scheduled concerts were either cancelled or postponed until a later date due to the ongoing COVID pandemic. We did present four special events funded under a grant from the Department of Canadian Heritage, a one-time grant designed to support the arts sector during the COVID pandemic.

On July 25, 2021 we presented a “Dances in the Park” at the campus park. This show consisted of two acts, Corpus, a dance troupe from Toronto, and Christine Friday - an indigenous dancer from the Temagami area There were 2 shows with a total audience of 220 people.

The second event took place on the weekend of September 10-11. THEOP presented “Garage Concerts”. Three artists were hired and each artist performed twice (Friday evening and Saturday afternoon at different venues: Keys Centre, the Audet’s house in Deep River and Hoyle’s home in Chalk River. The three acts were: Rory Gardiner, country singer and comedian; Durham County Poets, blues band from Ormstown, QC; and Mimi O’Bonsawin, folk singer from Eganville. Total attendance was 580.

The third event was a "Forest Installation" in cooperation with the Library Arts Committee. Susan Kendal, fiber artist, created large art pieces that were hung in the trees along the path to Lamure Beach.

The fourth event under this grant is still in process - a digital performance entitled "from Judy to Bette" is in preparation mode and is scheduled for release to our audience in June 2022.

Three concerts are currently scheduled for Spring 2022: Steven Taetz, a jazz singer; Ritmo Flamenco, a dance group and Christine Tassan et les imposteurs, multi-instrumentalists and singers.

We have signed a contract with Arts People who will handle our ticket sales starting with the Ritmo Flamenco concert.

THEOP purchased insurance to cover all concerts for the season.

The regular operations grant received from the Department of Canadian Heritage does not have to be returned. Due to these grants. We are able to move into the 2021-2022 season with a financial surplus.

Respectfully submitted,
Christopher Tanner
Chair, THEOP

CCMC Meeting – Bowling Congress

AGM Wed Nov 17 2021 10 am

Present: Cindy Hadden (PG), Elizabeth Jones (PG), Eva Gallagher (PG), Jim Halliday (BC), Don Barrington (BC), Judy Clouthier (WS), Eileen Burke (WS), Joanne Festarini (WS), Shannon Jobidon (BC)

Minutes from the Dec 1 2020 meeting: Actions from meeting- need to shut off electric heaters for pipes in April and turn on in Nov noted and done. The urinals were covered so cannot be used as not working properly. *(Note this meeting today was not the 2020 AGM as we thought. The CCMC AGM where we elected a new slate of officers and presented a budget for the coming year was in Oct 2020 and I have attached the minutes as we should approve them as well.)*

Motion to accept minutes of Dec 1 2020: Eileen. Second Shannon.

President's report: Shannon contacted John Watt as he would be interested in looking at sinking floor in Potters' Guild and passed on his phone number 613 639 5317. John came and looked but needed to go underneath into crawl space. Eva contacted the town and Dave McCarthy has contacted Eric McQuestion who will contact John Watts and let him underneath the Community Center. Eva also asked them to look into the inlet water pipe and its heater and see if the cubicle where it is located is indeed insulated.

Budget: Don mentioned that our budget should remain the same as last year as we had a good surplus. There are still a couple of bills to pay which Don will do. Motion to accept financial report: Eva. Second: Judith.

Election of Officers: President – Shannon Jobidon

Vice-Chair – open

Treasurer – Jim Halliday – nominated by Shannon, second Cindy.

Secretary – Eva Gallagher

Jim was approved by majority vote and rest were acclaimed. Also a big thank you to Don for all his hard work on the committee's finances for so many years.

Other business: Eileen contacted Ben Mahar for snow removal. We will leave the skunk and cat problem until the spring as we do not want to leave animals without a home for the winter. Broken window in Whistle Stop – it has been ordered by the town but is still waiting installation by the town. The town has fixed the WS leak that was leaking when it rained. The leak in the Potters' Guild will have to wait until it happens again which will probably be in the spring. Most of the ballasts and lights have been relaced in the bowling alley but a few more need to be replaced.

Signing authority: Jim will send out email to Eva and Shannon when we will need to go to the bank for transfer of signing authority. Eva to send copy of the minutes of this meeting for Steve D'Eon for the DRCA AGM in December. **Meeting adjourned.**

Mackey Camp Committee Report to Community Association for 2020

The operation of the Camp was halted most of the year by the Covid pandemic. The Camp was used for just 48 camper-night in 2021 plus 3 day uses. A second double-casement used window has been donated by Mike Milgram. This and two more smaller windows were to be installed in 2021 but will be installed this coming Summer if all goes as planned.

Lawn maintenance was continued as usual over the Summer.

The Camp has survived on a break even basis in the past with community support and volunteers. Our largest financial burdens are Hydro and insurance. We are not broke yet but a return to normal use this year, perhaps in the Spring, will be important to our financial health.

A new(ish) stove has been donated for the camp and will be installed after the snow melts and we can access the camp.
